Wine Grades - What do they mean?

Alongside each of our wines we've provided their country of origin and their wine grade. The wine grade is there to provide you with an idea of either the dryness of a white or the weight of a red

The perceived sweetness of a white can be altered by the food that it accompanies, but all the wines were tasted and graded without food.

White Wines

1
Bone
Dry

2
Off
Dry

2-4
Medium
Dry

5
Medium
Sweet

Red Wines

A
Very light, usually fruity

B
Easy drinking but with some body

C
Can be drunk without food, with good body and weight

D
Full bodied and full flavoured which can be robust
